

Principals Pen

Welcome back to a new and exciting term of learning together as a community.

I would like to especially welcome all our new staff, learners and families to Pomaria.

Pomaria is a learning community that holds very high expectations of ourselves in our learning, in upholding our values, and in our desire to all be life long learners.

On site we are currently building and modernising Rooms 8 to 13. We have tried to minimise disruption as much as possible. The teachers and classes directly involved have adapted very well to their temporary classrooms. We are all looking forward to the completion of what will be stunning new and modern learning environments.

A priority for this term is to enhance community engagement and involvement. Collective participation of staff, learners and families of Pomaria will create positive partnerships in working towards success and achievement in learning.

This term there will be a number of opportunities for you, our families of Pomaria, to be present and involved in your child's learning. Our Community Consultation Evening, the Reading Together Programme, Parent Teacher Interviews, and the "Sore Throat Matters" Programme are just a few of the Calendared events this term that we encourage our families to be a part of. There are numerous other ways you can be involved in supporting your child's learning, through our Community Room, Te Puna, Sporting and Cultural Events, as well as just visiting and spending some time in your child's classroom, or sitting with them at home, reading with them or supporting them in their home learning tasks. Come and have a chat to find out how you can become more involved in your child's learning.

This is a journey that we embark on together – you play a vital role in this journey. By working together we can build sustainable building blocks for the future of our learners.

Important Safety Notice

Due to the current construction and the arrival of the mobile dental clinic there are increased hazards in and around our school car park area.

Please remember the driveway and car park are for STAFF AND TRADE only. There are parking bays on Pomaria Road for dropping off and picking up your child.

All children **MUST** cross using the pedestrian crossing, even when the crossing monitors are not on duty. Please model this positive behaviour when crossing your child yourself.

Please **do not** stop in the middle of the road to allow passengers to exit the vehicle, this is not only illegal, it is very dangerous.

It is our responsibility as a school and yours as parents/caregivers to keep our children safe and follow the safe practices that have been put in place.

Thank you
Donna Nee

We would like to extend a warm welcome to our new Librarian - Miss Heather McNair

Heather started with us this term and is settling into her new role as Librarian. Heather will be working three days a week, and will be introducing some exciting new ideas to Te Puna.

Welcome Heather, it's great to have you as part of the Pomaria family.

Overdue Library Books

Please check to see if your child has any overdue Pomaria Library Books lying around at home. If they do, please return them to school

Congratulations

Pomaria's Rippa Rugby Team.

A fantastic afternoon of rugby was played at Eden Park on Saturday.

Pomaria earned a place in the Auckland Regional Finals and came an amazing 3rd Place. Well done team.

The dedication and commitment shown by the whole team was outstanding and the support from families fantastic.

The Player of the Tournament was awarded to Dante Tamalua. Mr Gorlich has taken some amazing action shots you can see these on the digital screen in the office.

Out of School Activities

There are a number of out of school activities this term, if your child is involved in any of these you can direct any questions you have to the appropriate person.
