

Home Learning

Dear Parents/Caregivers,

Homework allows Learners to practise, reinforce and share with their families what is being taught at school. The Matauranga teachers encourage homework for their Learners. The Learners are expected to learn their spelling words, read for at least 10-20 minutes daily and practise their number work. The Junior Learners will also have their poem and alphabet books to share with you.

The reading log is an integral part of our communication between home and school so it is really important that as Parents/Caregivers you check it and sign it each day.

Some teachers have extra Homework activity sheets for the Senior Learners that are required to be returned daily. Book bags or plastic bags are encouraged to help look after resources.

The extra Homework activity sheets are optional to complete each week. Please keep in mind these extra activities do link learning between school and home. Please sign and return the tear off slip below regards to the Homework activity sheet.

If you have any further questions regarding homework please meet with your Child's class teacher.

Kind regards from The Teachers of The Matauranga PLG.

Miss Mobsby, Ms K, Mrs Fergusson, Mrs Khan, Mrs O'Malley and Mrs Abraham

I do want my child to do the extra homework activity sheet each week in addition to spelling, reading and number work.

I do not want my child to have the extra homework activity sheet each week. I am happy with the weekly spelling, reading and number work.

Child's name:

Room: _____

I have read this notice and agree to help my child.
